

A top-down view of a rustic breakfast table. The table is made of dark wood and is set with several items: three cups of coffee on saucers, a wooden tray containing three round pastries, a small bowl of almonds, a small bowl of hazelnuts, a small jar of cream, a small bowl of chocolate, and a small bowl of almonds. A white and blue patterned cloth with fringed edges is placed on the table, and a single pastry is served on a small plate on it. The overall atmosphere is warm and cozy.
